Dear Students, Staff & Parents,

It is indeed very great that the college has been continuously marching towards academic excellence and, in fact, we have achieved excellence in teaching-learning process. The university results of the students over the years vouch this. The rich academic contributions by the teaching fraternity of our college alone are totally responsible for these accolades and feats. Hats off to them. Experiencing academic design over the years, we have planned an innovative academic strategy in the coming years, which for sure, fulfill the academic aspiration of the present and future students in our college.
