5. GREEN CAMPUS CLUB (GCC):

ABOUT THE GCC:

A green campus is a place where environmentally friendly practices and education combine to promote sustainable and eco-friendly practices on the campus. The Green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to the environmental, social, and economic needs of mankind.

OBJECTIVES OF THE GCC:

- The first step of the Go green program involves establishing a viable Green- Campus Committee, within the organizational structure of the Institute.
- We believe that greening the campus is all about sweeping away wasteful inefficiencies and using conventional sources of energy for its daily power needs, correct disposal handling, purchase of environment-friendly supplies, and an effective recycling program.
- The administration of the Institute believes that everyone has to work out the time- bound strategies to implement green campus initiatives. These strategies need to be incorporated into the institutional planning and budgeting processes with the aim of developing a clean and green campus.
- Every Individual on the SAWC campus will work may be a student, faculty and support staff to foster a culture of self- sustainability and make the entire campus environmental friendly.
- The Green campus initiatives (GCI) will enable the institution to develop the campus as a living laboratory for innovation.

10. ROTARACT CLUB

Rotaract originally began as a Rotary International youth program in 1968. Rotaract believes in the motto "Service above Self". Members have the opportunity to help local charities, work on international development projects, and organize fundraising events.

Rotaract focuses on the development of young adults as leaders in their communities and workplaces. Clubs around the world also take part in international service projects, in a global effort to bring peace and international understanding to the world.

"Rotaract" stands for "Rotary in Action", although the name originally comes from a combination of "Rotary" and "Interact" (International + Action),

MISSION

We provide service to others; promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

VISION

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

MOTTO OF ROTARACT CLUB

Self-Development - Fellowship through Service

12. WOMEN EMPOWERMENT CELL

ABOUT THE CELL

Women's empowerment is not merely about helping women, it is about building a more robust, stable and powerful society. Empowering women to participate fully in economic life across all sectors is essential to build stronger economies, achieve internationally agreed goals for development and sustainability, and improve the quality of life for women, men, families and communities.

Our college has established a "Women Empowerment Cell" to make our students aware of women's rights and to insist on their role in the society. With a view to taking up women's issues and problems, this cell helps to create an awareness on their legal rights.

OBJECTIVES

- Identification of strong leadership, change-makers among women and girls and building their capacity.
- To promote a culture of respect and equality for female gender.
- The provision of opportunities and programs for girls and women to be financially, mentally and emotionally empowered to promote their growth as individuals in their own right.
- To highlight the importance of spirituality, health, hygiene and safety.
- To increase understanding of issues related to women.
- To educate students towards gender sensitization.
- To impart knowledge on legal rights, social responsibilities and health of women.
- The Cell aims at empowering and nurturing students into holistic individuals in line with the great Tamil poet Bharathiyar's "pudumai pen".
- We encourage students to fully participate in any chosen social, economic, political or cultural sectors on an equal footing.
- The Cell strives to empower students to be independent and identify their own place and identity in today's world.

13. Readers club:

About the club:

Readers Club is the one another initiative of the institution that aims to provide a platform for students to improve their general, technical, and scientific knowledge, as well as their communication skills. Readers Club may be one of the most effective tools for influencing the social change among the students, by reading and analyzing newspaper articles or any relevant current topics on a daily basis, initially in class.

Goals of Readers Club:

- Creating a reading environment by forming study circles
- Encourage students to write their own articles for publication in newspapers.
- Organizing a variety of competitions at various levels
- Articles are displayed on a regular basis in the display board.

Welfares of Reader's Club:

- Readers Club fosters a love of literature in a supportive environment.
- It fosters critical thinking and deeper encouragement through stories.
- It holds students accountable for their reading and comprehension skills.
- It helps to improve reading fluency and writing skills.
- It improves oral communication skills as well as research abilities.
- It expands and deepens their vocabulary.

Activities of the club:

The Readers Club invites eminent speakers, scholars, and writers to deliver speeches that challenge members' thinking. Members of the club borrow a book from the Reader's Club library in order to develop their reading habit.
