DEPARTMENT OF CHEMISTRY

A Report

on

Industrial visit to Ultramarine Private Limited

Department of Chemistry organized an industrial visit to Ultramarine pigments limited, Ranipet on 5th January 2023. For the welfare of students, we requested Ultramine Pigments Limited by sending an e-mail for a visit. After receiving a mail, they have allotted a day to visit their place on 5th January, 2024. The Students from I, II & III year were actively participated in this visit.

We were arrived at 9.30 am from college and reached at 11 am. Ultramarine is an Indian public limited company for over fifty years. It's a prominent manufacture in the production of inorganic pigments, detergents and cosmetic grade surfactants. They welcomed us with good hospitality and gave a detailed introduction about their process. The experts and skilled workers from their company had given the brief explanation of preparation of surfactants. Students had the chance to look over and know the waste water purification through the RO plant with the experts. Students were benefited by knowing the manufacturing process of surfactants and how effluent water is collected and processed in reverse osmosis method (RO Plant). Finally the visit was ended in a memorable one.
