The college conducted a Parents-Teachers meeting on 17<sup>th</sup> August, 2022, held in Seminar Hall at 10:30 am to 12:00 pm. Around 300 parents were present in the meeting.

The main purpose of meet was to create a common platform, where teacher and parents come together to enrich the student's educational experiences and discuss variety of issues, regarding all round development of students. The meeting was held under the guidance of the Principal Dr. R. S. Vetrivel. Through heads of all the departments. All the other faculty members were also present in the meeting.

Prof. Dr. M.Sakthivel, Vice-Principal, Head and Asst, Prof of Chemistry, delivered the Welcome address, where he briefed about the progress of the institution and the student welfare activities.

Then followed by the invocation of the meeting.

Introductory speech on each department was given by the respected head of the department respectively.

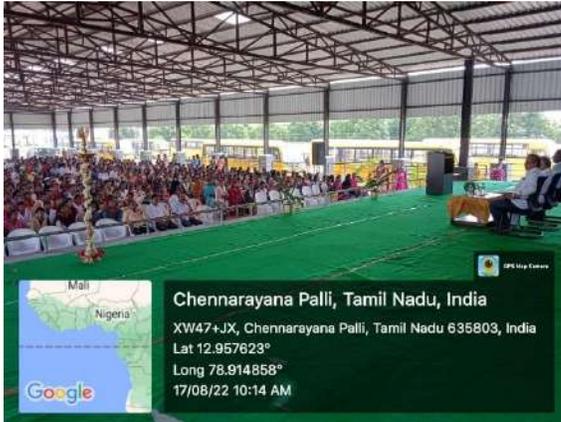

Dr. T. V. Sravanthi, Asst. Prof. of Chemistry and Ms. S. Uma Maheswari, Head & Asst. Prof. of English were highlighted the academic activities and staff involvement to guide the students to enhance their skills, about how the institution is helpful to shape the students towards the development of society through extra-curricular activities. They also extended the students' progress in sports and students' participation in intercollegiate and university level competitions.

Maximum of the parents were discussed about the initiatives towards the academic progress of the students, to secure university ranks and get good placements. They also suggested meticulous monitoring of the students academically and morally, which help them to work harder for upcoming examinations. Giving regular assignments, providing problem solving practices and SLSS (student learning support system) programs will be very much helpful for the students to improve their academic and skill progress.

**The key points discussed are as follows**
