Respected Sir,

Sub: Requisition for enhancing the UG Syllabus –Regarding

This is brought to your kind notice that, we obtained the feedback from the stake holders during the academic year 2019-2020. In connection with the feedback, most of the students need to update the syllabus of ASP.NET Lab in the UG curriculum. Many of the students strongly feel that the course of Resource Management Technique is difficult to understand. Therefore I kindly request you to consider the suggestions given by the students for further action. If the suggestions are considered the students community would be much thankful to you.
