About the College

The College was founded in the new millennium 2000 by the vision of late Shri.K.M.Govindarajan fondly known as 'Iyah' with a mission to offer higher education in the fields of Arts and Science to the needy and the poor middle class students of this area and make them fully employable and economically self reliant. With a humble beginning of launching an elementary school named Thiruvalluvar Elementary School in the year 1952, 'Iyah' groomed it into a Higher Secondary School and later into a college. Education was his soul & breath.

The college has grown into a full fledged educational hub offering 10 graduate programs, 8 post graduate programs, 5 M.Phil research programs and 1 Ph.D program. The college has been accredited with B+ grade by NAAC and recognised under section 2(f) & 12(B) of the UGC act 1956. The College is permanently affiliated to Thiruvalluvar University.

The college is an associate member of ICT Academy and registered member of NPTEL and Sooken Tutorials of IIT Bombay. The college is also a member of INFLIBNET and NDIL.

About the department

The English Department was established in the year of 2009, with an UG programme and it was elevated to PG programme in the year 2013. The teaching faculties of the English Department of KMG College of Arts and Science strive to mould the students, to discipline their minds, to embrace leadership qualities and to develop their personalities.
