Chairman's message:

Our vision is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. This visionary culture allows and emphasizes our wards not only to adopt the present day challenges but also individual responsibilities to the society and our nation at a large. Learning should be based on doing things and not merely knowing things. Any engineering institution worth its name looks to optimize the productivity of global leaders. Our institution has set specific objectives and planned activities for achieving excellence in all spheres of technical education. The service of the institution in creating personally mature, professionally equipped and service-oriented graduates is really worth mentioning. We strongly believe in academic excellence and do not compromise on teaching standards or discipline. These three things are the springboards on which we operate. People who feel good about themselves produce good results and people who produce good results feel good about themselves. We also believe in total learning and sharing.

Principal's Message:

"A desire can change nothing, a decision can change something but a determination can change everything." I have great pleasure in conveying my best wishes. Over the years the college has achieved continuous success in serving the cause of higher education. I congratulate the staff and students who used various mediums of expression to present their ideas. To be successful in life, have ambitions and define your goals clearly. Discipline and hard work are the keys to success. Be regular in your classes and focus on your goals. In Sree Abiraami Arts and Science College for Women, it is believed and practical that excellence is a continuous process and in pursuit of which the institute has made deep forays into contributing world renowned technocrats, successful entrepreneurs, competent leaders, innovative scientists and researchers. Your concerted efforts with the able guidance of the teachers would definitely provide you a blissful and successful life. I, on behalf of Sree Abiraami Arts and Science College for Women family wish you all the best for achieving greater success and scaling new heights in the coming session.

About SAWC:

Sree Abiraami Arts and Science College for Women (SAWC) was established in the year 2016. The aim of the institution is to " Empower Women through Quality Education " to the socially and economically backward female students of this region. The college is run by Sree Abiraami Educational and Charitable Trust, Gudiyattam approved by Government of Tamil Nadu and affiliated to Thiruvalluvar University, Vellore. This is the first women institution in Gudiyattam located in Keelalathur Village on Gudiyattam to Katpadi main road, just about 30 Km from Vellore, a health and educational hub.

The college is situated in serene and greenish atmosphere with high-tech infrastructure and spacious class rooms enabled with ICT facility, well equipped laboratories, computer lab, digital library, 24 X 7 Wi-Fi accessibility and hygienic canteen. 30 buses are operated covering 70 Km radius from the college for the benefit of the students.

The college offers 8 UG Programs and 2 PG Programs. The management and the faculty members are dedicated in creating the environment which supports the vision of the college. In order to achieve this goal, the institution conducts seminars, guest lectures, conferences, symposium and other activities in regular intervals.

VISION

To emerge as a renowned women institution in academic excellence, equipping students with intellectual, spiritual and emotional strength to face the global challenges.

MISSION

✓To set a standard in the realm of education by combining several field s of study.

✓To educate and equip women with knowledge and skills needed for successful life.

✓To provide value based education that integrates arts, science and spirituality.

✓To provide faculty with domain specific knowledge and ICT skills.

✓To concentrate on sensitive social issues through outreach and extension activities.
