CHAIRMAN MESSAGE

Very happy to know that our college has brought out a college magazine for the Year 2023-2024, outlining the series of academic and curricular related activities, which had taken place in the year. Kudos to editorial team and all faculty members for their rich contributions. I strongly believe that human resources are the most cherished resources for any institution's success and keeping this belief in mind, I have been giving full and complete academic and functional autonomy to our faculty in shaping their professional roles, duties and responsibilities. The born of the college magazine in one of the testimonies for my strong belief. The faculty of the college, with their sheer professional commitments and dedication, despite all odds, once again proved that they always stand for student's welfare through this marvelous magazine. Once again, I congratulate each one of them for their unwavering commitment and dedication to duties and I wish them for many more academic exercises prevail in the days and time to come during their academic Journey.

With Regards

WOMEN EMPOWERMENT

In realms where strength and grace entwine,
A tale unfolds a radiant sign.
Women, warriors of resilience and might,
Unveiling truth in a relentless fight.

Beneath the sky's embroidered gown,
They rise, adorned in courage, a crown.
Each step, a melody of strides,
Defying shadows, where hope abides

In the tapestry of time, a thread,
Woven by hands, with dreams widespread.
Courage blooms in hearts aflame,
A symphony of voices, unafraid to name.

Through storms of bias, they navigate,
Breaking chains, a legacy to create.
The ink of change flows in every word,
On the parchment of justice, undeterred.

In the garden of dreams, where passions sow,
Women rise, with a radiant glow.
For in their unity, a force untold,
A tale of strength and resilience forever unfolds.

THROUGH DARKNESS

In the depths of darkness, I find my way,
A battle within, each and every day
Time slows down, a heavy weight it seems,
But hope still flickers, within my dreams.

Through tears and pain, I Search for the light
To find the strength, to rise and fight
Through time may taunt, with its relentless flow,
I'll keep pushing forward, and let my Spirit grow.

EXPLANATION:

In my darkest moments, there is a glimmers and hope, resilience, in each and every day, my feelings and my emotion fighting against with my own thoughts. My difficult times makes me to feel like time slows down and each moments became heavier, as the Weight of emotions, and struggles slows downs the passing time. But I hope, I will overcome with my darkest part of life, and my dreams will "shine Like a diamond". With the emotion of tears and pain, I feel its healing process for move forward in life. Emotion keeps my eyes to open for the little spark of light. The Dark made me to find the powerful passion. The Insult and the relentless flow makes me more strong to move forward to achieve the dream, and it lets my spirit to grow To My Guiding light.

For the one who gave me life, so pure and true.
A poem for my mom, from me to you.
In your warm embrace, I find my peace,
A Love that never fades, it only does increase
You've been my guiding light through every storm
Holding my hand, keeping me safe and warm.
Your love is a fortress, strong and secure.

A bond that nothing can be ever obscure.
Through laughter and tears, you've been my side,
Your unwavering Support, a constant tide.
You're taught me kindness and grace,
So here's to you, my mom, my guiding star,
Forever grateful for all that you are.
I Love you more than words can express,
Your the reason for my happiness.

DON'T QUIT

When things go wrong as they sometimes will,
When the road you're trudging seems all up hill,
When the funds are low and the debts are high,
And you want to smile, but you have to sign,
when care is pressing you down a bit,
Rest if you must, but don't you Quit.

Life is strange with its twist and turns
As everyone of us sometimes learns
And many a failure comes about
When he might have won had he stuck it out;
Don't give up though the pace seems slow-
You may succeed with another blow.

Success is failure turned inside out-
The silver tint of the clouds of doubt,
And you never can tell just how close you are,
It may be near when it seems so far;

So stick to the fight when you're hardest hit-
It's when things seem worst that you must not quit
For all the sad words of tongue or pen
The saddest are these: "It might have been".

ARTICLE ON IMPORTANCE OF EDUCATION

Education is a constitutional right everyday citizen that prepares an individual to play their roles as a sophisticated member of society. The importance of education can be implied by habituating the lack of its existence. The importance of education and its significance can be understood through the life of an ignorant and illiterate person, who had never had chance to visit the school and is experiencing the bane of illiteracy could value the answer to the question-

“Why is education an essential factor in our life?”

He/she knows the prominence and Education and its changes an individuals life. The enormous hardship of illiteracy is its constant dependency issue. An illiterate individual depends on others for his/her survival. Education prepares its wings to fly and explore the surroundings while being confident and the opportunistic Education builds individuals better as great in their society.

"An Innocent Girl"

There was a girl who was very innocent. Girl does not know how people look in the world because she was in an accident and got injured in her leg. She was in such a bad situation that she could not walk or even move, and she was also packed in a small room under the control of her mother. As the days passed, her leg started to get cured, and she completed her schooling and wrote her exam at home. Now it's time for her to move into college life. she was so excited and very happy to know how the worrisome things would be. She was thinking with a lot of happiness about her college, and at that time, she received the call from her college and informed her to join as à next day. She was very happy. But her mother had a feeling that girl was going to face society. Because, years ago, she was under the lock of the room, the mother had a thought about how she was going to know. What is good or bad? The next morning, with a lot of happiness, that girl started to get ready for college. While going to college, first she noticed the nature, and she was

so happy, and then she saw a woman who was rough and aggressive. By seeing that girl with that fear, she saw a child playing in the park. She was very happy by seeing the kits, by seeing all those, she felt so happy and excited, and she entered the college, and everyone started interacting one by one. As themselves, while she is interested, she has struck everyone to mask her and comment on her. She returned home with a sad face, and when her mother asked her what happened, she said everything to her mom. So her mother advised her that in society there will be both good and bad, so how do you enjoy nature? Some people take this too; if they hurt you, don't bother about that, you prove who you are. When you grow to a high level, they will feel too bad for mocking you. So there will be a lot of criticism in the world; we should not take that to heart and be strong enough to prove who you are.

THE POWER OF SELFLESS ACTS

Tom and Jin are both cousins. One day, they went to Forest. They traveled a long way and got tired of Walking. So, they decide halt under oak tree. Jim woke up by hearing the noise and saw the lion and woke Tom. They don't have any idea to escape. They were afraid of that threatening situation. At the time, a deer arrives and catches the lion's attention. The lion started to chase the deer, which was once a hunter trying to shoot it with an arrow, but fortunately it got by Jim. It ran and suddenly changed into an Angel. Jim was surprised to see her. She came near him and offered a boon. She will appear before him whenever he needs help. She thanked him for his help and she disappeared with a pleasant smile. And Tom & Jim, after exploring the forest, went back to their home.

MORAL OF THE STORY: Giving to others without expecting anything in return frequently results in pleasant surprises, which creates a positive feedback loop that strengthens people. The story illustrates that kindness towards others can lead to unexpected blessings. Being brave in the face of fear can bring about fortunate outcomes. Helping those in need can lead to valuable rewards.

DON'T GIVE UP

A long time ago, there lived a boy named Rodney in a village. He was very happy with his family. But his happiness could not last for long. Rodney and his fellow villagers faced a severe drought. They desperately waited for rains but with no luck. All the crops, land and even trees dried up. The cattle started dying. As there was no rain, the stream was drying up slowly.

One night, during a meet with the villagers, Rodney said, "Friends, we all have heard tales from our grandparents about an underground river flowing through our village. Why don't we dig and see?" The villagers agreed and started digging. They dug for some days but gave up soon. However, Rodney kept on digging. When people told him to give up, he said, "God is helping and guiding my way."

One day, when he had dug deep enough, Rodney saw water. His attitude of not giving up saved the whole village. "Never give up so easily", Rodney advised all the villagers. Now, they are never short of water. And whenever any problem arises, all the villagers come up together and find a solution.

I WANNA TELL YOU SOMETHING

Dear Love, I wanna tell you something,
That I have never tried to tell you before.
I wanna tell you that, you are the person
For whom I'm longing for.
You're the person whose heart gave me
Warmth and comfort.

I wanna tell you something, that you're
The person whose silence made my heart break.
You're the person who gave the fear of
Losing you in my life.

You're the person whose absence
Made me feel lonely.

I wanna tell you that, I would be blessed
To receive you in my life.
You're the person who is the reason
for my brightest smiles.
You're the person, because of whom I'm being Alive and happy
I wanna tell you something, You Are My Everything.

LOVE, UNFOLD ME!

Once a guy said to a girl:
“Love is like a rainbow, Its colorful and makes people smile.
Love is like an ocean, it's deep and beautiful.
Love is like the sun, it shines and a warm.
Love is like rain, it's calm and refreshing.
Will you let me show you that love?”
The girl shook her hand while smiling:
“No”

The guy looked down sadly
And then he heard her saying

These words: “I want you show me your love....”

In the darkest Forest
She was a moonlight

She become as a wastepaper
To read me as a Newspaper

She buried her happiness as a seed
To see me as a tree

Just say stop to fake society
Just hold her hands to see the real meaning of life

Guidance in the book may become wrong.
Her words never Fade

FRIENDSHIP

Friendship is a special gift from the Almighty,
When you choose your friends wisely;
Friendship is not about always being together,
Its about always being there for each other;
Bond with friends is something special that everyone cherish,
Vibes become positive and negativity vanish;
Bonds and vibes matter more than pictures,
You are special when you are in your friend's prayers,

As your friends talk about you to the Lord of the Worlds,

Many want this relationship to continue

In the reincarnation

Which is not certain,

A true "friendship" will continue till heaven.

SIMPLICITY IS UNIQUENESS

Never wish to be like the Fiery Sun, Like others that appear on a broad day, though it brings entire world. People can't see it with bare eyes. You can be like a moon, which is so cool and unique in the dark night, and people can enjoy and admire its beauty by seeing it with their bare eyes.

Moral: The level or position doesn't matter, but all that matters is how ground-headed you are in every situation and how equally you treat others. I don't wish to live like others. Be unique in the way you are. Because you are the limited edition.

SHORT STORY

NEVER LIE

Adam had learned from his friends that lying is the easiest way of any situation. So he
became fond of lying and enjoyed telling small lies. When his parents caught him and warned
him against telling lies, he shrugged them off saying, "Lies never harm anyone!" Adam's father
decided to explain to him why lying Is bad.

One evening, Adam and his father were walking down the street with some groceries. Trust then,
they saw a car rammed into a bookstore Adam's father asked a man what happened and he
replied, "The car driver lied to his father that he could see without spectacles. They both were in
the car when the accident happened. The father is seriously hurt.

I'm sure the boy regrets every lying.!" Adam's father looked at Adam and said. "See Adam, a lie
is so dangerous! It can hurt people!" Adam realized the huge cost of lie and stopped lying.

She came out only occasionally,
She was a girl and lived here, everyone
There didn't know her, she was like
A flower in the stink of the town, she used
To live decently even in a chaul...
Her dreams were big and her eyes were small
She had threads of kajal in her eyes, she had to
Do something different from everyone else,
She used to talk big only then, she
Was like a flower in the stink of the town, she
Used to live decently even in a chaul...

She was like others in appearance, but with
Her hair tied up, she ran after her

A BIRD'S LONGING ECHO

- SOWMIYA SHANKAR

One day early in the morning

I was sitting in the garden.

the moon moves to take rest,

and the sun rises in the east.

That was the end of the winter season.

The dew drops are falling on the garden.

And also, on me and the plants and flowers,

It looks like water pearls are decorating the garden.

My eyes moved to see the sky; it was

the light red and yellow mixed and

the group of birds that fly in the sky;

with full of joy and independence! why?,

Then suddenly my eyes turned to see,

The cage bird, which felt worried,

for its fateful condition. I catch the birds.

thought, because it connected to me.

*It thought I was a cage bird.
I have beautiful wings to fly, but I didn't
Because I am in the small cage,
My owners thought that I felt so lucky and safe.*

*But I do not feel happy. I want to be a,
fly-less bird like a hen or duck because,
that are free to enjoy even if they are not able to fly.
but even though I have a flying wings, it was useless.*

*My eyes filled with tears, and
I worried about the pitiful condition of the bird,
and then I realized that bird reflected my life.
It looks like a mirror of my life*

பொம்மையின்அன்பு

ஒரு ஊரில் ஸ்ருதி. வயது ஒன்பது இவளுக்கு பொம்மை என்றால் மிகவும் பிடிக்கும். இவள் தந்தை ஒரு அழகிய பொம்மை ஒன்றை வாங்கித் தருகிறார். அவளுக்கு அது மிகவும் பிடித்திருந்தது அதனுடனே அதிக நேரம் விளையாடுவாள் பேசுவாள். அந்த பொம்மைக்கும் இவளை மிகவும் பிடித்திருந்தது. அதனால் அந்த பொம்மை கடவுளிடம் தனக்கு உயிர் கொடுக்க வேண்டும் என்று வேண்டியது. பல வேண்டுதலுக்கு பிறகு கடவுளும் அந்த பொம்மைக்கு உயிர்தருகிறார். பிறகு அந்த பொம்மை அவளிடம் வந்து பேசியது, முதலில் அவளுக்கு பயமாக இருந்தது .பேச பேச அவளும் பழகி விட்டாள். அவளும் அந்த பொம்மையும் எப்போதும் ஒன்றாகவே இருந்தது இருவரும் பேசிக் கொள்வது விளையாடுவது சண்டை போடுவது என்று அன்பாகஇருந்தனர். ஸ்ருதி எங்கு சென்றாலும் அந்த பொம்மையை கூடவே கொண்டு போவாள். இப்படியே இருவரும் இருக்கின்றனர் இருவருக்குள்ளும் உள்ள அன்பு பெருகிக் கொண்டே சென்றது.

'ஒரு நாள் அந்த பொம்மைக்கு ஒரு அதிர்ச்சியான கலக்கமான தகவல் ஒன்று தெரியவருகிறது .அது, ஸ்ருதிக்கு பத்து வயது முடிந்து பதினொன்றாம் வயது

வந்தால்.அவள் இறந்து விடுவாள். இது அவள் பிறந்த அன்றே தீர்மானிக்கப்பட்ட ஒன்று.அதே போல் அவளுக்கு பத்து வயது நிறைவடைய போகிறது. அந்த பொம்மை கடவுளிடம் சென்று முறையிடுகிறது வேண்டுகிறது அதன் கதறல்களையும் அன்பையும் கடவுள் கவனிக்கிறார். "நான் பாதியில் வந்தவள் அதனால் என் உயிரை எடுத்துக் கொண்டு அவளை காப்பாற்று"என்று அழுதது. "அவள் இல்லாமல் அவள் குடும்பம் என்னவாகும், அவளின் எதிர்காலம் என்னவாகும்" என்று கேட்டது.

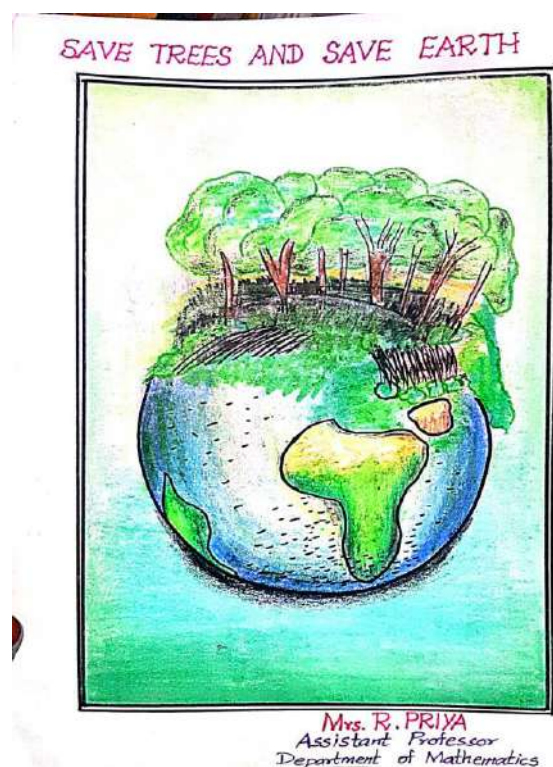

இத்தனையும் கேட்ட கடவுள் மனமிறங்கிஅந்த பொம்மையின் உயிரை எடுத்துக்கொண்டு அவளை காப்பாற்றியது. பொம்மை வானுலகில் இருந்து அவளை பார்த்து அடுத்த பிறவியிலாவது நான் உன்னுடனே இருக்க வேண்டும் என்று கூறி மறைந்தது. அந்த பெண் பொம்மையில்லாமல் வருந்துவதால் அவளின் பெற்றோர் ஒரு நாய் குட்டியை வாங்கித் தருகிறார் அவளும் இதனை மறந்து நாய் குட்டியுடன் விளையாடி ஆனந்தமாக வாழ்கிறாள் ...

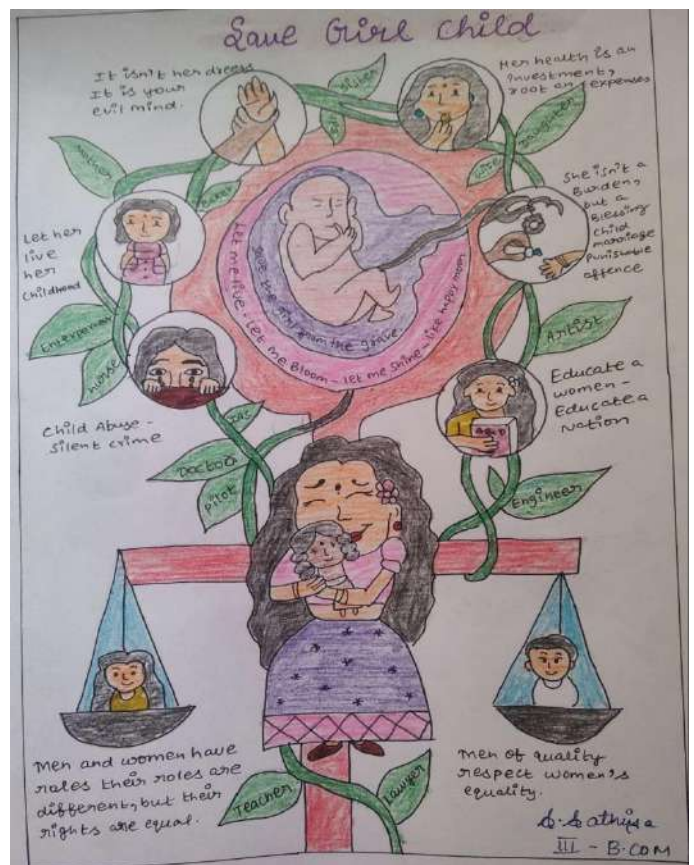

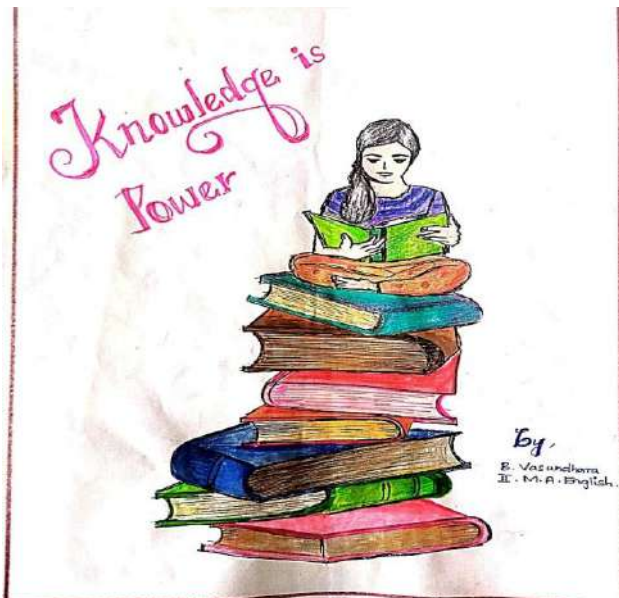

நாம் ஒருவர் மீது வைக்கும் அன்பு நம் விதியையும் மாற்றியமைக்கும் யார் மேலும் அதிக அன்பை வைக்காமல் அன்புடன் இருக்க வேண்டும். ஒரு பொம்மைக்கு இருக்கும் மனம் கூட இன்று உள்ள மனிதர்களுக்கு இல்லை. அன்பு நம்மை அழவைத்தாலும் அது அழகானது...
