Abiraami Magazine
2024 - 2025

CHAIRMAN MESSAGE

“EmpoweringMinds, Enriching Lives”

As we continue on our journey of growth and excellence, I am delighted to introduce this edition of our magazine. This publication is a testament to our commitment to share knowledge, inspiring innovation, and fostering connections within our community.

In this issue, we feature insightful articles, interviews, and stories that showcase the achievements, challenges, and triumphs of our members. From cutting-edge trends and technologies to best practices and lessons learned, our magazine aims to educate, motivate, and empower our readers.

At Sree Abiraami Arts & Science College for Women, we remain dedicated to our mission. We believe that by working together, sharing ideas, and supporting one another, we can create a brighter future for all.

This Magazine is a reflection of our College’s commitment to foster a culture of learning, exploration, and discovery. It highlights our success, celebrates our diversity, and provides a platform for voices to be heard.

I would like to extend my sincerest appreciation to the editorial team, contributors, and designers for their tireless efforts in creating this outstanding publication. Your input is invaluable in helping us shape the content and direction of our magazine.

Thank you for your continued support and engagement.

Sincerely,

Shri.M.N.Jothikumar

Chairman, SAWC.

DIRECTOR MESSAGE

It is my pleasure to welcome this edition of our magazine. As we continue to strive for excellence in our endeavors, we are delighted to share with you the stories, achievements, and insights that showcase the best of our community.

In this issue we feature a range of articles and interviews that highlight the innovative work, dedication, and passion of our members and partners. From thought-provoking commentary to practical advice and lessons learned, our magazine aims to inform, inspire and engage our readers.

At Abiraami Arts & Science College for Women, we are committed to fostering a culture of excellence, collaboration, and continuous learning. We believe that by sharing knowledge, expertise and experiences, we can empower individuals and organizations to achieve their full potential.

I would like to express my appreciation to our editorial team, contributors, and designers for their hard work and creativity in producing this magazine. Your efforts have resulted in a publication that is both informative and engaging. Your input is invaluable in helping us shape the content and direction of our Magazine.

Thank you for your continued support.

Sincerely,

Shri.K.Jothiram

Director,SAWC.

PRINCIPAL'S MESSAGE

I am delighted to introduce our College Magazine as a testament of Creativity, Talent, and achievements of every stakeholder of our college.

At Abiraami, we strive to provide a holistic education that goes beyond academics. We aim to empower our students with the Knowledge, Skills, and values necessary to succeed in an ever-changing world. Our faculties are dedicated to create a supportive and inclusive learning environment that fosters growth, innovation, and excellence.

I would like to express my gratitude to the editorial team, contributors, and designers who have worked tirelessly to bring this magazine to life. Your efforts are a testament to the creativity and talent that exists within our college community.

I hope you enjoy reading this edition of our college magazine. Let us continue to inspire, motivate and support each other as we strive for excellence and make our mark on the academics.

With Regards,

Dr.M.C.Subhashini,

M.A.,M.Ed.,M.Phil.,SET.,Ph.D.,

Principal i/c, SAWC.

Lord Shiva

Lord Shiva, the destroyer, with a heart so kind,
Sits on Kailash, with Ganga on his mind.
His eyes, like the ocean, deep and wide,
Reflect the wisdom, of the universe inside.
With the trident in hand, he rules with gentle care,
Protecting the universe, from the forces that dare
His cosmic dance, the Tandava, a wondrous sight,
Destroys the old, and brings forth new light,
Guiding us on our journey, through the cosmic year.

Mrs. M.VINITHA,
ASSISTANT PROFESSOR,
P.G DEPARTMENT OF ENGLISH , SAWC

A TEACHER'S LOVE

You are the stars that light my way,
A gentle glow, come night or day.
Your laughter rings, so pure, so bright,
Turning lessons into light.

Each smile you bring, each dream you share,
Fills my heart with love and care.
I see your strength, I feel your pain,
I cheer you on through sun and rain.

No matter where life leads you through,
Know this, my dear – I'm proud of you.
Forever here, in heart and mind,
A teacher's love is warm and kind.

Means, my love for you never be fade
And I know knowledge you grow here never be shade.

**Mrs. S. POOJA,
ASSISTANT PROFESSOR,
P.G DEPARTMENT OF ENGLISH , SAWC**

MOM ♡

Mother, there is no other word that means as much.

A mother is the person whom every human being respects and loves unconditionally.

Mom, you have sacrificed all your gold and savings to raise me without showing your pains and sufferings.

Mom, you have cried many times, regretting that you have not saved anything for my future life.

But Mom, I want to tell you one thing you have already done everything. Whatever you could do to raise me as a good-hearted person, you have done. I believe that this is enough for my future.

Mom, I am proud to be your daughter, and my only aim is to bring back all your lost happiness again in your life.

Mom, I'm lucky to have you as my mother. I want to tell you this you carried me in your womb

for ten months, but Mom, I would like to carry you in my heart for the rest of my life. Love you, Mom.

Mom, I want to see you as my father's queen of our own kingdom, and I would love to be your lovable little princess forever, Mom. I just want to see your face always, and I just want to spend more and more time with you. Being beside you is the one and only happiness for me in this life, Mom.

Ms. SHALINI. S
ASSISTANT PROFESSOR,
P.G DEPARTMENT OF ENGLISH , SAWC

My Hero of My World

Dad,

We're going to move on years without you.

We can't hear your bold voice...

We can't feel your presence.

Can't I hear your nagging anymore?

The protection shield of our family has broken... We feel insecure without you...

I had been walking with pride, my head up, as the most respected man's only daughter.

People were afraid to approach me, but now they pity me.

I never expressed how much I love you, care for you, and respect you...

Can't we be able to see that joyful face again, Appa?

Ms. SHALINI. S
ASSISTANT PROFESSOR,
P.G DEPARTMENT OF ENGLISH , SAWC

கட்டுரை

தமிழ்மொழியின் சிறப்பு

முன்னுரை:-

கடவுள்கருணையால் இகத்தில் இறைமையை உணர்ந்து கொள்ளவும். நான் கடவுளை அறியவும் தமிழ்மொழியைத்தவிர உலகின் வேறு எந்தவொரு மொழியும் எனக்கு துணை செய்திட முடியாது என்னும் உணர்வு பெற்று என் தாயின் நிலவயிறும், என்மண்ணும், என்கலாச்சாரமும் எனக்குவரமாக அளித்து தந்த மொழி அது எனது தாய் தமிழ்மொழி. தமிழ் என்பது உணர்வு தமிழ் என்பது உறவு, தமிழ் என்பது உடை, தமிழ் என்பது உணவு ,உயிரில்எல்லாம் தமிழ்தான்.

அகஉணர்வுக்கு அண்மையான எனது அன்னைமொழி கொடுத்த இறைவனை வணங்கி அமுதமொழியான ஆண்டவன். மொழியை பதினாறு சிறப்புபண்புகள் பெற்று பெருவாழ்வு வாழ்ந்தும் வாழ்வித்துக் கொண்டிருக்கும் தமிழ்மொழியை வாழ்த்துகிறேன். செம்மொழின்தகுதிகள் 1. தொன்மை 2. முன்மை 3. எண்மை 4. ஒண்மை 5. இளமை 6. வளமை 7. தாய்மை 8. தூய்மை 9. செம்மை 10. மும்மை 11. இனிமை 12. தனிமை 13. பெருமை 14. திருமை 15. இயன்மை 16. வியன்மை இன்னும்பதினாறு குணங்கள் இன்றியமையாததாக உள்ளது.

1.தொன்மை:

ஆதியில் மனிதன் தோன்றிய காலத்தில் உணவுக்காக வேட்டையாடத் தொடங்கி, உணவுக்காக உழைத்து உணவு தேடும் உழைப்பை ஆதிமனிதர்கள் செய்திட, அந்த உழைப்பில் தோன்றியது தான்மொழி.

“கல்தோன்றி, மண்தோன்றாக் காலத்தே வாளோடு முன் தோன்றியமூத்தகுடி” எனும்போது முன்தோன்றியது மூத்தகுடி “தமிழ்குடி”

என்றால் மூத்தமொழியும் தமிழ்மொழிதானே... தமிழின் வரலாறு மிக நீண்டு இருப்பின் அதன் ஆண்டுகளின் நீட்சி என்பது காலத்தால் கணிக்க இயலாது.

எகிப்தியர்களுக்கு வரலாறு எப்படி தோன்றுகிறது என்றால் Pyramids - Mummy's என்று சொல்லக்கூடிய பிணங்களை தோண்டி எடுத்து வரலாறு சொல்லிக்கொண்டிருக்கிறது. ஆனால் தமிழர்கள் தன் நாபியிலிருந்து எழுகிற அந்த உயிர் மூச்சுகாற்றோடு வெளிவருகின்ற தன் தாய்மொழியை வைத்துதான் தமிழர்களாகிய நாம் வரலாறு சொல்லிக் கொண்டிருக்கிறோம்.

மொழியியல் ஆய்வறிஞர் Alex Colier 1995 ம் ஆண்டு மாணவர்களுக்கு பாடம்நடத்தும் பொழுது சொல்லுகிறார் உலகில் மனிதன் பேசிய முதல் மொழிதமிழ் என்று.. இது தமிழ் மொழியின் தொன்மை.

2.முன்மை:

“ஒன்றறிவதுவே உற்றறிவதுவே

இரண்டறிவதுவே அதனொடுநாவே

மூன்றறிவதுவே அவற்றோடுமூக்கே

நான்கறிவதுவே அவற்றொடுகண்ணே

ஐந்தறிவதுவே அவற்றொடுசெவியே

ஆறறிவதுவேஅவற்றொடுமனனே” என

தொல்காப்பியம் மரபியலில் பரிணாம வளர்ச்சி பற்றிய அறிவியல் உணர்த்திடும் பாடல் அது வேதமிழின் முன்மை.

3.எண்மை:

என்பது எளிமை தமிழ் இனிமையான முப்பது ஒலிகளைக் கொண்ட

என்பது மொழி. தமிழ் மொழியில் ஓர் எழுத்து ஒரு மொழி என்பது அதன்

மாண்பாக தமிழ்சொற்களில் இருக்கிற சூட்சுமம்.

4. ஒண்மை:

இலக்கியங்களைப் படைத்திருக்கிறது தமிழ்மொழி. இரண்டு அடியில் உலக அளந்தார்வள்ளுவர் அது என் தாய் தமிழ் அவதாரம். தொன்மையை தொடுவதற்கு அகத்தியம். இலக்கணம் இயம்ப தொல்காப்பியம். தமிழரின் வீரம் அறிய புறநானூறு. மனம் அறிய அகநானூறு. காலில் அணியும் சிலம்பிற்கு உண்டு சிலப்பதிகாரம். இடையில் அணியும் மேகலைக்கு இருக்கிறது மணிமேகலை. காதில் அணியும் குண்டலத்திற்கு குண்டலகேசி. கையில் அணியும் வளையலுக்கு வளைத்துபடிக்க வளையாபதி. குறுந்தொகையில் குறுக்கிடமுடியுமா ஐவகை நிலங்களை ஆம் தமிழ் மொழியை படித்திட என்ன இல்லை மொழியில்... எளியதல்ல எல்லாவற்றையும் எடுத்து இயங்குவதற்கு...

ஆண்டவன் தொட்டிலிட்டு தொல்காப்பியர் தாலாட்டி கம்பன் சீராட்டி மூவேந்தர் பாராட்டி-வருடங்கள் பல ஆயிரம் கடந்தாலும் என்றும் மொழிகளுக்கெல்லாம் தாயாக விளங்கும் உணர்வு மொழி எனது தாய் தமிழ்மொழி.

இப்படிவாழ்வில் ஒளிசேர்க்கும் இலக்கியங்கள் இருப்பதால் தமிழுக்கு ஒண்மை எனும் பண்பும் இருக்கிறது.

5. இளமை:

எழில் கொஞ்சிடும் இளமை தமிழ் மொழியானது தன் வயிற்றிலிருந்து பல மொழிகளைப் பெற்று எடுத்ததாயாக இருந்தும் இன்றும் வாழ்ந்தும் வளர்ந்ததோடும் மட்டுமல்லாது தன் இளமைக்குன்றாத வாழ்வு பல உயிர்களை பல உலகங்களை படைத்தும் அழைத்தும் செய்தும் செய்கின்ற எல்லாம் வல்ல இறைவன் தனது தன்மை குன்றாது வாழ்ந்து வருவது போல

காலங்கள் மாறினாலும் தொழில்நுட்பங்கள் பெருகினாலும் எல்லாவற்றிற்கும் ஈடு செய்யும் சீறிய தமிழ்மொழியின் இளமை வாழ்த்துகளுக்கு உரியது.

6.வளமை:

சொல் - பொருள் - இலக்கிய இலக்கண வளமையில் தமிழ் மொழி தவழ்கிறது.

7. தாய்மை:

பல மொழிகளை ஈன்றெடுத்த தாய்மை அம்மை அப்பனாக தமிழ் மொழி வடிவதிரிந்து வழங்கி வருகிறது.

8.மும்மை:

இயல், இசை,நாடகம் என்னும் முப்பெரும் சிறப்பு தமிழ்மொழிக்கு இருக்கிறது.

9. தூய்மை:

எத்தனை முறை அழிக்க நினைத்தாலும் தமிழ் மீண்டும் மீண்டும் துளிர்க்கும் தூய்மையுடையது. உலகிலேயே தமிழுக்காக கோயில்கள் கட்டியவன் தமிழன்.

10.செம்மை:

தமிழ் என்று எண்ணும்போது இரண்டு கண்களாக தோன்றுவது காதலும் வீரமும். தமிழின் மாண்பு நிலம் சார்ந்தது வியர்வைக்கும் விளைச்சலுக்கும் வித்திட்டது தமிழ் மண். காதலன் கணவன் என்னும் இரு சொல்லும் ஒரே பொருள் தருவது தமிழ்.

தமிழ் மொழியில் சொல்லப்படும் வீரம் என்பது அன்பு சார்ந்தது. அன்பு வீரம் சார்ந்தது என உணர்த்துகிறது. அறத்திற்கே அன்புசார் என்ப அறியார்

மறத்திற்கும் அஃதே துணை என வள்ளுவம் வீரத்துக்கும் அன்புக்கும் என்று பேசுகிறது.

அது மட்டுமா..... பூ - மொட்டு - அரும்பு - போது - அலர் - பூமலர்- வீ என (Positon) நிலைகளுக்கு அதாவது பூ மலரமலர பெயர்வைத்தன் தமிழன்.

பெண்கள்வளரவளரபெயர்வைத்தவன்தமிழன்.பேதை - பெதும்பை - மங்கை - மடந்தை - அறிவை - தெரிவை - பேரிளம்பெண்.

11.இனிமை:

உணர்வுக்கு ஆதாரமானது கடவுள் எனும் போது கடவுளை உணர்ந்த சான்றோர்கள் கடவுள் வாழ்த்து மூலமாக கடத்துள்ளையே உணர்வு பெற்றுவாழும் இனிமை தமிழ்மொழிக்கு இருக்கிறது.

12.தனிமை:

தமிழ்மொழி உலகில் அனைத்து மொழிகளுக்கும் சொற்களின் வேர்சொற்களாக தனித்து இயங்கும் தன்மை கொண்டிருக்கிறது தமிழின் தனிமை.

13.நுண்மை:

என் கடத்தினுள்ளேயே இருப்பதால் அவன் கடவுள் என கடவுளை கண்கண்டதெய்வம் ஆக்கினவன் தமிழன். தமிழ் உயிர்எழுத்தும் மெய்எழுத்தும் உயிர்மெய்எழுத்தும் கொண்டிருக்கிறது. உயிரின் இயக்கமானது உயிர்தனித்தும் இயங்கும் மற்றும் உடலோடும் சேர்ந்தும் இயங்கும். மெய் என்னும் போது உடல் உயிரோடு சேர்ந்து மட்டும் தான். எங்கும் தன்மை கொண்டிருக்கிறது. உயிராகிய காற்று வெளியேறினால் அது உயிர்மெய் எழுத்தாய் மாறி போகும் இது தான் தமிழ்மொழியின் மாட்சி என்பது மொழியின் பெருமையும்.

உயிர்மெய் என்பது உண்மை. மெய் எனும் போது உடலுக்கு மெய் என பெயர்வைத்தவன் தமிழன். மனம் பொய் சொல்லகூடும். ஆனால் மெய் கொண்ட உடம்புக்கு பொய் சொல்ல தெரியாது.

உடம்புக்கு பசி வந்தால் - பசி நோய் வந்தால் - நோய் தூக்கம் வந்தால் - தூக்கம் காமம் வந்தால் - காமம் இப்படி உடலுக்கு உண்மை மட்டுமே தெரியும் என உணர்த்துவது தமிழ்மொழி.

அது மட்டுமா மனித உணர்ச்சிகளை நகை - அழுகை - இளிவரல் - மருட்கை - அச்சம் - பெருமிதம் - வெகுளி - உவகை என நுட்பமான எட்டு உணர்ச்சிகள் பிரிந்து எப்போதெல்லாம் எவ்வாறு எந்த உணர்வு எழும் என்பதே நுட்பமாக பதிவிட்டிருப்பது தமிழ் மொழியின் தொல்காப்பியம்.

14.திருமை:

திரு என்பது தமிழைத்தவிர வேறு எந்த மொழியிலும் கிடையாது. திரு என்பது கடவுளைக் குறிக்கும் சொல்.

15.இயன்மை:

தமிழர்கள் தன் வாழ்வோடு இணைத்து படிப்படியாக உருவாக்கிய மொழிதான் தமிழ்மொழி அது தெய்வ மொழி. பல்லாயிரம் தமிழர்களின் இயல்பான வாழ்க்கை முறையில் உருவானது.

16.வியன்மை:

உலகெங்கும் பரவி இருக்கும் தன்மை கொண்டு பற்பலமொழிகளில் தமிழ்சொற்கள் உலகெங்கும் பிறமொழிகளில் பரவியுள்ளன.

(எடு) அம்மை - அம்மையப்பன்

ஆனால் இப்படிப்பட்ட உன்னத உயிர் மொழிகாலத்தால் சிதைந்தும் அழித்துக் கொண்டும் தமிழ்மொழி மறைந்தும் மறைத்தும் வரும் சூழல் தமிழ்மொழி பேசும் தமிழ்நாட்டிலேயே உருவெடுத்து வருகிறது.

முடிவுரை:-

இன்றைய சூழலில் ஒரு நாடு அழிய வேண்டும் என்றால் அங்கிருக்கும் மொழி அழியகூடும். மொழி அழிந்தால் அவனது பண்பாடு, கலாச்சாரம், இலக்கியங்கள் நிலங்கள் அழியும்.

பின்பு அங்கிருக்கும் மக்கள் சொல்லப்படும் மொழியை பேசி அவர்கள் அடிமைகளாகமாற்றி, அவர்களை தலைவர்களாக ஏற்று அடிமை ஆக்கிவிடும். தவறான எண்ணங்கள் தமிழ்மொழி பேசும் தமிழ்நாட்டில் தான் உருவெடுத்துவிட்டது. தொன்னூறு சதவிகிதத்துக்கு மேல் நம்மொழி அழிக்கப்பட்டு இருக்க. நீதிமன்றங்களில் வழக்காடும் மொழியாக தமிழ் இல்லை. வழிபாட்டுத்தலங்களில் தமிழ் இல்லை. கல்வி மொழியாக தமிழ் இல்லை. இன்னும் இப்பொழுது நமது நாவிலும் தமிழ் இல்லை. வரலாற்றில் இருந்து தமிழ் புறக்கணிக்கப்பட்டு உழைப்பில் இருந்து தமிழ்வெளியேறிவிட்டது. அதுமட்டுமா நம் சிந்தனைகளுக்கு விலங்கிடப்பட்டுள்ளது.

தமிழ்மொழி பேசும் நாம் ஒரு உளவியல் நோயாளிகளாக இருக்கிறோம். இப்படி தமிழர்கள் தற்கொலை செய்யப்பட்டு வருகிறார்கள். இந்நிலையிருந்தும் தமிழ்மொழியான உயரிய உன்னதமான மொழி என்று இன்னும் தமிழ்மொழியை உயிராக கருதி பேசப்பட்டு வருகிறோ மென்றால் தமிழ்மொழி இறைவன் மொழி.

உலகின் ஒவ்வொரு தனிமனிதனும் இறை உணர்வு பெற்று இன்பத்தில் திளைக்க தமிழ்மொழி அறிவது அவசியமாகிறது. மனித தமிழ் இறைமை அளித்த இயற்கையோடு இயந்த இன்பமொழி. “பிறவிப்பெருங்கடல் நீந்தி

கடக்க பெருந்துணையாவது தமிழ்மொழி”. பேரின்ப கடலில் மூழ்கி திளைக்க
மனிதத்தை வழிநடத்துவது தமிழ் மொழி .

தமிழ்மொழி என்பது மனிதமொழி தமிழ்மொழி என்பது மனித உயிர்களின்
உயிரொலி. தன்னை அறிய விரும்பும் எந்த ஒரு மனிதனுக்கும்
தன்னிகரற்றதுணையாவது தமிழ்மொழி.

தமிழ்மொழி அல்ல அது உயிர் உணர்வு -

உண்மையின் ஒளிர்வு இப்பிறவியில்

தமிழ்மொழி பேசும் புண்ணிய

STUDENTS CORNER

Different Paths, Same Horizon

Dharma grew up in a village nestled between rolling green hills, in a simple home that seemed to sway with the breeze. Despite the peaceful surroundings, her mind was always buzzing with possibilities. She was the only girl in the village who could repair a radio, fix a fan, and dream of robots in a place where technology was rare. Her curious, eager mind saw the future in circuits and wires, and with every passing year, she knew she wanted more than the quiet life her parents lived.

When she was accepted into a well-known technology college, her family threw a celebration. Her father beamed with pride, and the villagers gathered to wish her luck. They all believed Dharma would do something great. She boarded the train with stars in her eyes, leaving the village behind for the first time, determined to prove them right.

Maya was Dharma's first friend in college, and in every way, they were opposites. Maya came from a busy city, loved curling up with classic novels, and preferred the quiet corners of the campus, away from the rush. Meanwhile, Dharma's bright, energetic presence lit up any room she entered. Maya's calm, quiet demeanor felt like a gentle breeze on a summer day. They met during orientation, and something about their differences made them click. It wasn't long before they were inseparable, despite living in completely different worlds.

Dharma threw herself into her studies. Every class, every project was a new challenge. She stayed up late in the lab, poring over her code, creating inventions that earned her the admiration of professors and classmates alike. Her passion for technology only grew as she developed her skills, became the leader of the college tech club, and started networking with

influential people in the industry. Dharma's calendar was full of meetings, projects, competitions, and debates. She was driven, focused, and tireless.

Maya, on the other hand, moved at a different pace. She was studying English, diving into poetry, essays, and the timeless beauty of words. She spent her evenings in the library, reading for pleasure as much as for study, and had a talent for storytelling that left people mesmerized. She was the friend everyone could rely on—the one who knew the right thing to say to soothe a broken heart.

Their friendship was an unusual one. Dharma would often come to Maya for a break from the intensity of her schedule—a quiet hour spent in the library or under the cherry blossom trees, where Maya would read her favorite lines of poetry aloud. In turn, Maya was fascinated by Dharma's passion, her relentless energy, and her desire to change the world. They respected each other's path, even if they couldn't completely understand them.

As the years went by, their paths only diverged further. Dharma's projects became more ambitious. By their final years, she had secured an internship with a top tech company, completed a research paper that was published in a major journal, and won several prestigious awards. She had friends from all over the college—people who admired her ambition and looked up to her. Her days were packed, her future bright. But every now and then, she would look at Maya's simple joys—a quiet tea on a rainy day, a spontaneous trip to a local bookstore—and feel a pang of something she couldn't quite define.

Maya, meanwhile, stayed true to her own dreams. She didn't chase grades or accolades. Instead, she worked part-time at a local charity, spending her weekends organizing book drives and helping the elderly with daily chores. She believed in living a life that mattered, even if it

wasn't loud or glamorous. Maya found happiness in little things—finding the perfect book in a secondhand store or wandering aimlessly through the park.

Graduation came and went. Dharma received a standing ovation for her final project—a new device that promised to revolutionize rural education. She had a job offer before she even walked across the stage to get her diploma.

Maya's name was called, and she accepted her degree with a serene smile, having already decided to take a quiet job at a small publishing house that believed in nurturing voices that would otherwise go unheard.

Years passed. Dharma became a prominent figure in the tech industry, as everyone had expected. She built a career full of success, with a network of friends and admirers. She was wealthy, respected, and constantly innovating, always pushing herself for the next achievement. Yet, she never lost touch with Maya, even though they now lived in different cities.

One autumn afternoon, they met again in the village where Dharma's story had begun. They sat on the porch of Dharma's family home, the familiar scent of jasmine filling the air. Maya was visiting from the city, and they talked as if no time had passed—about books, life, and the paths they had chosen.

“I admire you, you know,” Maya said, sipping her tea, her eyes bright and thoughtful. “You’ve accomplished everything you set out to do. You’re a leader.”

“And I admire you,” Dharma replied, her voice soft with warmth. “You’ve lived a life that’s truly yours, without caring about what others think. You’ve found happiness in every moment, something I still struggle with.”

Maya smiled. “We’re not so different, you know. We’ve just taken different paths to find our own joy.”

The village was quiet, the sky golden with the setting sun. She looked at her old friend—so different from herself in every way—and realized that both of them had found what they were looking for. Each path was valid, each journey meaningful.

As they sat together, two friends who had chosen their own ways, Dharma finally understood:

“Not all flowers bloom on the same tree,” which means that each person has a unique path and beauty of their own.

It captures the essence of Dharma and Maya’s different journeys and choices, highlighting that each has their value and purpose.

College Life

Recalling the old days feels both happy and sad,
Happy for those days and sad that they have come to an end.
I am grateful for all the beautiful college days I had;
In my heart, my college life will always remain.

Here, I learned a lot—what not! I will definitely
Miss these lovely days to the core, infinitely.
College life ends here, but life begins anew,
With all the lessons I have learned, I will walk through.

With passion, I say, "Life is a torque;
What you give is what you get."
When you are sure, go for the best—
Just like the saying, "Life is a big circle."

People win and lose in this huge cycle,
All made of almost the same particle.

Ms. S. PAVINA

VALUE OF TIME

Time is the most important factor in the progress of human beings. Time is constantly running, and once it is gone, it is gone forever. It never comes back. Time provides equal opportunities to everyone. It does not differentiate between the rich or poor, young or old, healthy or sick. It is equally important for all. As the saying goes, "Time and tide wait for no man."

Time is precious. We can buy everything with money, but we cannot buy time.

Time can be divided into the present, past, and future. The past is past; it is already gone. However, we should learn from past experiences, as they are valuable lessons for us. If we utilize the present time properly, our future will automatically become bright. Therefore, we should not waste our present time.

We should not waste time on unnecessary activities like playing cards, gossiping about others, or watching excessive films. Instead, we should utilize our time doing creative work, reading good books, helping our family members, and working hard.

Time must be used wisely. The loss of time leads to failure and regret. Some people are foolish because they do not realize the importance of time, wasting it on meaningless activities. Wasting time is a great loss. We should not be idle; we should always remain active.

Time is even more important for students. They should utilize their valuable time properly. Those who make good use of their time will grow into great individuals in the future. Students should follow a routine and spend their time wisely.

Teachers should educate students about the value of time. Life is short, and we have many things to accomplish within a limited span. Therefore, we must utilize our time properly.

Beauty

You looked for beauty everywhere,
So you adored the plants and their flowers,
And how the curtain of darkness
Hid the way to the stars.

You searched for the secrets
Which made the moon shine so bright,
And spread its beauty all over,
When calmness had taken over the night.

You were always curious about the beauty
Possessed by everything you've known,
But while admiring the beauty of others,
You forgot to see your own.

Sometimes

Sometimes, you just go with the flow,
Sometimes, you just have to let it go.
Even if the feelings turn into fear,
Don't worry, I'll be right here.

Sometimes you must break your heart,
Sometimes you must tear yourself apart.
Even if life goes astray,
Don't worry, I won't run away.

Sometimes you must punish yourself
For the things you haven't done.
Even if things go wrong,
I'll be with you all along.

Sometimes you must let yourself fall
To rise again and stand up tall.

Even if you fear the night,
Don't worry, I'll be with you tonight.

Sometimes wind will call out your name,
Sometimes you must choose between love or fame.
Even if you give up this fight,
Don't worry, I'll find a light.

Sometimes your end is just your start,
Sometimes you must find the courage in your heart.
Even if you have to pass through every storm and every weather,
Don't worry, I'll be with you forever!

**Ms. V.A. Muthaharoon,

Generative AI with Robotics

Definition:

Generative AI refers to AI systems that generate new data, designs, or outputs by learning patterns from existing data. When applied to robotics, it enhances robotic systems by improving creativity, adaptability, and decision-making.

Applications in Robotics:

Path Planning: Generative AI helps robots create efficient and adaptive routes.

Human-Robot Interaction: AI enables robots to generate natural conversations and responses.

Key Technologies:

GANs (Generative Adversarial Networks): Used for training robots to mimic real-world scenarios.

RL (Reinforcement Learning): Enhances robot adaptability and autonomy.

Advantages:

- Enhanced creativity in problem-solving.
- Cost-effective development through virtual prototyping.
- Improved adaptability and personalization for tasks.

Challenges:

- High computational requirements.
- Ensuring safety and ethical AI behavior.

COLLEGE

Halls of Learning, Halls of Dreams
Where minds converge, and futures beam
A melting pot of hearts and souls
Where laughter echoes, and memories unfold

The lecture halls, a battleground of minds
Where professors guide, and knowledge is defined
The library's silence, a sanctuary of thought
Where pages turned, and ideas are brought

The canteen's chatter, a symphony of friends
Where bonds are formed, and memories never end
The campus grounds, a canvas of delight
Where sunshine warms, and stars shine bright

Late-night studies, fueled by coffee's might
Where deadlines loom, and determination takes flight
Group projects' chaos, a test of teamwork's will
Where collaboration's beauty, and success stands still

College life, a journey of self-discovery's thrill
Where passions ignite, and futures are fulfilled
A time of growth, of trial and error's sway
Where young minds blossom, and a brighter tomorrow's way.

இந்த நொடி விண்மீன்

மானிடமே!

பாதையின் தூரத்தால்- பாதம் சலித்தாலும்

மனம் சலித்திடாதே மானிடமே!

உன் உழைப்பை உறிஞ்சும்- ஒவ்வொரு

நொடியும் உன் வெற்றியை உமிழும்

வேளைக்கான படியாகுமே!

மேடை உயரவே, படிகளும் கூடுமே!

சாட்சி கூறும் தான்.....

இந்த நொடி, இரவு வானில்

நட்சத்திர காட்சியாகவே,

வெகுதூரம் கடந்து வந்த ஒளிதானே...!

ஆம்

என்னை உமிழ்ந்த விண்மீனிலிருந்து

எத்தனையோ ஒளி ஆண்டுகள் நடந்து

சில வளி மண்டலங்கள் ஊடுருவி

பல வளியில்லா மண்டலங்கள் தாண்டி,

பயணித்து வந்த ஒளி நானே!

உலகிற்கு விண்மீன் ஆனேன்

உன்னத கூற்றிக்கு சாட்சி ஆனேன்!

பெண்மை போற்றுவோம்

முன்னுரை:-

உலகில் மனிதனை படைக்கும் சக்தி சொருபமாகவும், கண்ணில் பட்ட தெய்வமாகவும் வாழும் கடவுளாகவும் நம் முன் பெண்கள் இருக்கின்றார்கள். முதலீட்டை தங்கத்தில் போடாமல் பெண்ணை படிக்க வைத்தால் அதுவே சிறந்த தலை முறையை மாற்றும். ஆண் ஒருவர் கல்வி கற்றால் அவர் ஒருவருக்கு மட்டும் அறிவு வளர்ச்சி அடையும். ஆனால் பெண் ஒருவர் கல்வி அறிவு கற்றல் அக்குடும்பம் முழுவதும் கற்க ஆரம்பிக்கிறது. எனென்றால் தாயின் மடியிலிருந்து குழந்தைகள் கல்வி அறிவு பெறும் போது குடும்பம் முழுவதும் நல்லறிவு பெறுவது இயல்பு தானே.

பெண்மையின் பொருள்:-

சமுதாயத்தில் மகளிருக்குச் சிறப்பிடமுண்டு. ஒவ்வோரு ஆணின் முன்னேற்றமும் ஒரு பெண்ணாலே என்பர். “மங்கையராய் பிறப்பதற்கே நல்ல மாதவம் செய்திட வேண்டும்மா” எனப் பாடினார் கவிமணி. சமுதாயம் முன்னேற ஆடவரைக் காட்டிலும் மகளிரின் பங்கு மகத்தானது. “அன்பின் வடிவமே பெண்மை” உயிரின் தோற்றத்திற்கும் வளர்ச்சிக்கும் வாழ்விற்கும் பெண்ணே முதன்மையானவள். துணிவின் ஊற்றாகவும் தியாகத்தின் உச்சியாகவும், பொறுமையாக இருப்பிடம் அவள். வாழ்க்கைத் துணைவியாகவும் தாயாகவும் விளங்கி வழி நடத்திச் செல்பவளே பெண்.

அன்றும் இன்றும்:-

பெண்ணடிமை இருந்தது “அடுப்பூதும் பெண்ணிற்குப் படிப்பெதற்கு” எனக் கேட்ட காலம் அது. “பட்டங்கள் ஆள்வதும் சட்டங்கள் செய்வதும் பாரினில் பெண்கள் நடத்த வந்தோம்”. எட்டும் அறிவினில் ஆணுக்கிங்கே பெண்ணுரிமை மலர்ந்தது வாழ்வில் ஒலியும் மணமும் ஏற்படச் சமுதாயத்தின் பல்வேறு ஆக்கச் செயல்களிலும் அன்னார் பங்கு கொள்ள வேண்டும் என்பது காலத்தின் கட்டாயம்.

சமுதாய முன்னேற்றம் :-

திருள்ளுவர் “வாழ்க்கைத் துணை நலம்” என்றே பேசுகிறார். இல்லறவாழ்வில், ஆணுக்கு பெண் என்றும் பெண்ணுக்கு ஆண் என்றும் இணைநலம் கொண்டு ஒற்றுமையோடு செயல்பட்டால் பண்பட்ட சமுதாயத்தைப் படைக்க முடியும். அன்னிபெசண்ட் அம்மையார் சிஸ்டர் நிவேதிதா போன்றோர் பெண் விடுதலைக்குப் பாடுபட்டனார். “ஆடவர்

முன்னேற்றமே மகளிரால்” என்பதால். அப்போது தான் சமுதாய முன்னேற்றம் அடையும்.

பெண்கல்வியின் பயன்கள்:-

ஜான்சிராணி,அகல்யாபாய்,இந்திராகாந்தி,ஜெயலலிதாபோன்ற பெண் தலைவர்கள் இந்த நாட்டை ஆட்சி செய்து வந்துள்ளனர். பெண்கள் கல்வி பெற்றதால் இன்றை உலகில் ஆண்களுக்கு நிகராக பெண்களும் அனைத்து துறைகளிலும் சாதனை படைத்து வருகின்றன. “பி.வி.சிந்து, கல்பனா சால்வா” இன்னும் பல பேர் உள்ளனர். பெண்களும் ஆண்களும் சமமாக வருமானம் ஈட்டுகின்றனர். இதனால் இந்திய பொருளாதாரம் வளர்ச்சி பெற்றுள்ளது. சமுதாய முன்னேற்றத்தில் மகளிர் பங்கு மகத்தானது.

சென்ற நூற்றாண்டுப் பாவலர்கள்“ வள்ளலாரும் வேதநாயகரும்” பாடிப் புகழ் சேர்த்தனர். இராசாரம்மோகன்ராய் போன்ற அறிஞரும் குரல் கொடுத்தனர். நிறைய மகளிர் கல்லூரிகளும், சமுதாயம் முன்னேற்றத்தில் மகளிர் பங்கைப் பறை சாற்றுகின்றன.

“பெண் ஆக பிறந்ததற்கு

பெருமை பட வேண்டும் என்று

சொல்லுகிறார்கள்.....

மானுடா என்றாவது அவள் மனம்

உணர வழி புரிந்தாய?

என்றோ கிடைத்து விட்டது

இந்திய மக்களுக்கு விடுதலை

ஆனால் இன்னும் ஏனோ மானுடா உன்

வீட்டில் உள்ள பெண் – அவள் மனம்

நுகர கற்று திரிய அனுமதித்தாய்”?

“ஒரு பெண்ணிற்கு கல்வி புகட்டினால் ஒரு சமுதாயத்திற்கே கல்வி தருவதாகும்” சீர்திருத்த மனம் படைத்த அறிவுள்ள பெண்களிடமிருந்து தான் சீர்திருத்த அறிவுள்ள செம்மல்கள் தோன்றக் கூடும். இடைக்காலத்தில் சமூக அமைப்பில் ஏற்பட்ட மாற்றங்கள் காரணமாக பெண்கல்வி மறுக்கப்பட்டு ஆண்கள் மட்டும் கல்வி பெறும் சூழல் தோன்றியது பெண் கல்வி மறுக்கப்பட்டு, ஆண்கள் மட்டும் கல்விபெறும் சூழல் தோன்றுகிறது. கல்வியின்மூலம் பெண்களுக்கு அளிப்பதால் சமூக முன்னேற்றத்திற்கான மாற்றம் உருவக்கப்படுகிறது. “நீ ஒதுக்கப்படும் இடங்களில் நிமிர்ந்து நில் நீ புகழ்படும் இடங்களில் அடக்கமாய் நில் நீ விமர்சிக்கப்படும் இடங்களில் மௌனமாய் இரு நீ நேசிக்கப்படும் இடங்களில் அன்புடன் இரு உலகம் உன்வசப்படும்”

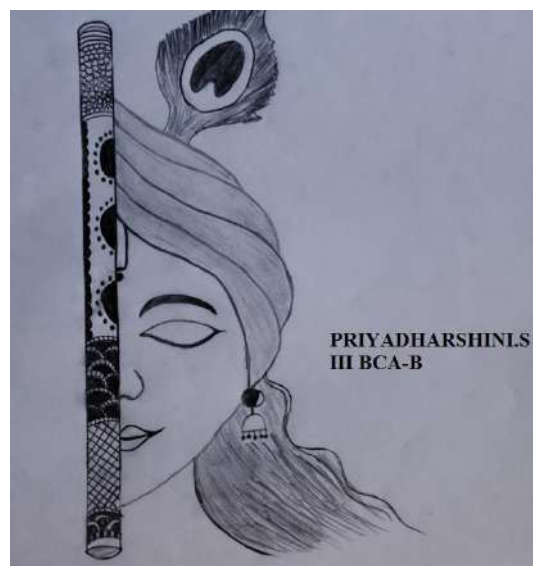

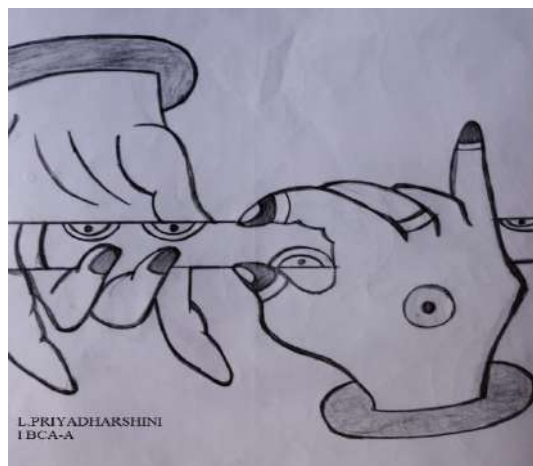

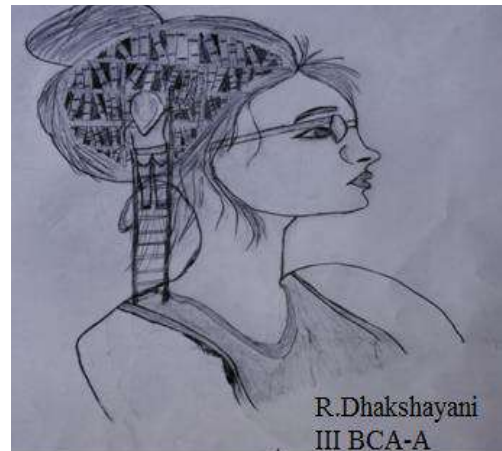

முடிவுரை:-

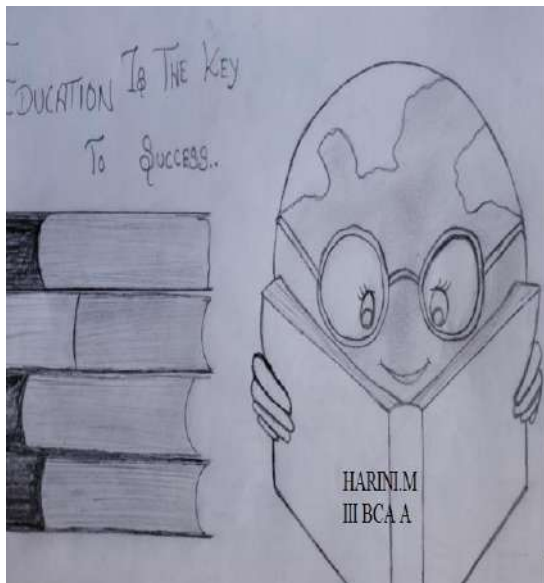

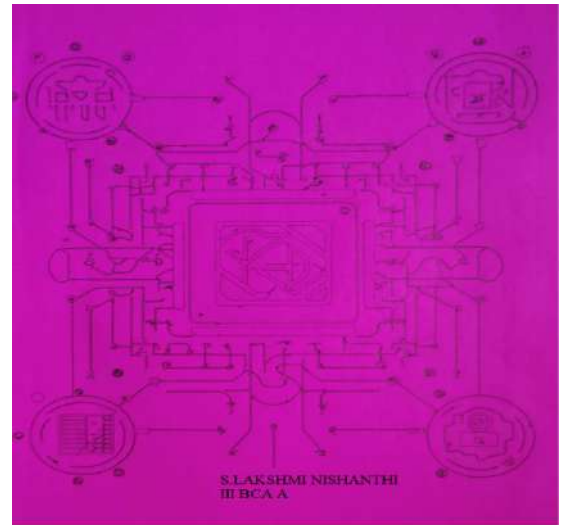

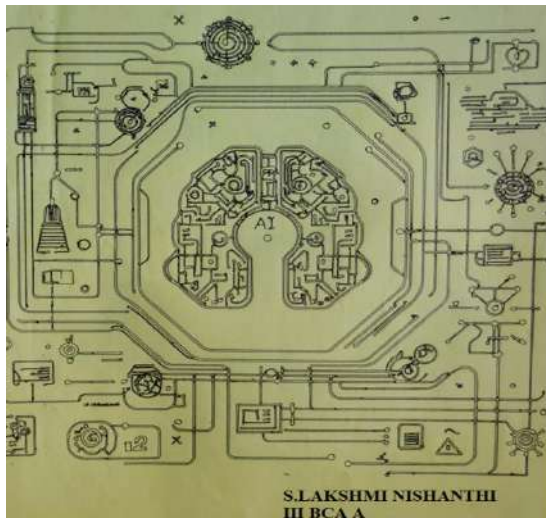

மகளிர்தன் அறிவுதிறமையாலும் உழைப்பாலும் முன்னேறி வருகின்றனர். ஆடவர்க்கு நிகராகச் சமுதாயத்தில் பெரும் அங்கம் வகிக்கின்றனர். சமுதாயம் முன்னேற்றம் அடையச்செய்யும் என்பதில் ஐயம் இல்லை.

Empowering Women,
shaping future
bright...

Strong Women
rise at Abiraami...

ABIRAAMI

...My College...

Sree Abiraami College, Gudiyathani's Pride,
Empower Women, side by side.
Knowledge and skills, a shining light,
Guiding future, day and night.
Abiraami's spirit, strong and free,
Unfolds potential, for all to see.
Gudiyathani's Gem, this College stands,
Nurturing dreams with gentle hands.
Sree Abiraami, a name so dear,
Empowering Women, year by year.
Gudiyathani's heart, beats with pride,
For this college, where women reside.
Women leaders, shining bright,
Emerging strong, with each new light.
Education and growth, hand in hand,
Sree Abiraami College, a guiding stand.
Gudiyathani's treasure, this college true,
Shaping futures, for me and you.
Empowering minds, a noble quest,
Sree Abiraami College. FOREVER BEST...
